## Student Commitment

Participation in FIRST Robotics requires a large commitment. To be a member of the team you must:

- Attend pre-season meetings in September, October, and December.
- Attend all mandatory in-season working sessions in January and February.
- Attend all District Competitions.
- Participate with a positive attitude.
- Keep up grades and attendance at school.

An invitation to attend the Championship competition and the Regional competition **MUST BE EARNED** by participating as outlined above, plus completion of a set of mandatory but flexible activities.

I have read and completed the BHS Robotics Team Application. I understand that if I wish to attend any of the competitions, I will be required to earn that privilege by participation in the activities mentioned above.

Student Signature \_\_\_\_\_ Date \_\_\_\_/\_\_\_\_/\_\_\_\_

I have reviewed this application with my child and understand the commitment that will be required. I agree to have my child participate on the BHS Robotics Team.

Parent/Guardian Signature \_\_\_\_\_ Date \_\_\_\_/\_\_\_\_/\_\_\_\_

NOTE: There is a \$200 Team Participation Fee due December 8th. Grants are available to students that need help paying this fee – see one of the coaches for more information. This fee is needed to help offset some of the competition entry fees and build cost. We rely on corporate sponsor donations – the overall cost for this program exceeds \$25,000–\$40,000 annually. Additional transportation and lodging fees may be incurred.

Checks should be made payable to "BAS Robotics".
